Carla Collins and The El Mocambo Announce Their New Podcast/Web Series – Carla Collins Rox The Elmo

Toronto, Ontario – Carla Collins, Canadian broadcast and comedy icon, is pleased to announce the launch of her new podcast/web series, in partnership with The Michael Stuart Webb Media Group and The El Mocambo; Carla Collins Rox The Elmo.

Award-winning comedian, broadcaster, author and creator of Comedic Meditation, Carla Collins is your host and zany zen zealot for this next level podcast/web series recorded at the legendary El Mocambo in Toronto. Enjoy a full endorphin release and some icon on icon action with this no-holds barred, unfiltered, candid deep-dive into what's keeping her celebrity guests sane, sexy and soulful; what's making them chuckle and where they find their chill. It's the dream three-way of comedy, music and spirituality. This is where mental health meets metal health, featuring exclusive VIP intimate performances and interviews you won't see anywhere else.

This is your pandemic panacea podcast. It's lighthearted enlightenment for your mind, body and soul...with a lot of heart.

The first season includes an emotionally overcome Kim Mitchell; Dean McDermott back in Canada and in tears; Lawrence Gowan as you've never seen him before; and a once suicidal Canadian soldier who returned from a tour of Afghanistan and started touring as a rising country music star.

Stand-up royalty, the Godfather Kenny Robinson and comedy King Michael Colyar, take us to church like only they can, and Canada's sweetheart, Elizabeth Manley, doesn't skate around her commitment to bringing awareness to mental health.

Carla Collins Rox the Elmo is entertaining and inspiring, fearless and full of unconventional advice on how to survive and maybe even thrive during these crazy times.

Most places may be shutdown but you don't have to be. We can't fix the world but we can keep you company, keep you laughing, and keep your spirits up. Now get ready to get Roxxed. Yes, that's a word now!

"Could be the times we are living through but these have been the most raw, powerful, and transcendent interviews of my life. There are also a million ridiculously hilarious moments. This is the show I have always dreamed of" – **Carla Collins**

"Carla Collins is nouveaux niche; emotional support cougar and millennial whisperer. Never before have you seen unscripted, intense, hilarious, invigorating, and provocative interviews that are also informative and often spiritual. Wek is in the house for this, and The El Mocambo is the perfect backdrop for this unique and sexy show" – **Michael Wekerle**
