AWARD-WINNING CANADIAN COUNTRY MUSIC STAR, GRAHAM TRUDE, ANNOUNCES HIS NEW MANAGEMENT DEAL WITH THE MICHAEL STUART WEBB MEDIA GROUP

Barrie, Ontario – Pending the May 25th release of his new single “PTSD”, award-winning singer/songwriter and country music sensation, Graham Trude, announces his new management deal with the Michael Stuart Webb Media Group.

No stranger to the country music arena, Graham has earned the respect of his peers in Nashville and has delighted audiences as one half of the popular country duo, The Singing Soldiers.

“I have always been a huge fan of Graham’s otherworldly ability to craft an impactful song. From the moment I met him, there was an immediate connection; he is an exceptional talent and an incredible human being. We couldn’t be more honoured to have this opportunity to partner with him. Graham’s future in the music scene is extraordinarily bright, and we look forward to helping him propel his career to the next level.” – Michael Stuart Webb

Earning a reputation as a must-see performer, Graham combines edgy riffs and guitars solos, with infectious hooks and good old-fashioned storytelling into a masterful fusion of pop, rock and country.

“If you think this song is seminal, wait until you hear the rest of the album; it will change the landscape of the country music scene” – Michael Stuart Webb
